AIDS IN 2020 AND THE ROLE OF EUROPEAN FOUNDATIONS

Moderators: **PSI Communications** team led by **Kristin Shannon**

This is an interactive future trends immersion that looks forward to 2020 to better understand how global trends in the next decade might affect HIV/AIDS scenarios and responses. Conference participants will explore trends (constraints and opportunities) that could impact philanthropic leadership options. Thinking together about scenarios helps ensure that we are alert to change, and that foundations programmes continue to lead and stimulate effective responses to HIV/AIDS in a rapidly changing political and economic environment. While no one can guarantee what the future will hold, these trends and questions provide a valuable context for generating our leadership initiatives.

10.45 – 11.15 COFFEE BREAK

11.15 – 12.45
